

CHIEFS BOARD REPORT JUNE 2017

INDIAN HILLS FIRE PROTECTION DISTRICT

June 26, 2017

- 1) I went to a ISO update on Tuesday June 27th, it was very informative and I found out we will be going through an audit before the end of the year.
- 2) I passed my final NREMT test and when I receive my paper work I will send to C.D.P.H.&E to complete.
- 3) If you are here on the 4th of July your help would be appreciated in cleaning up kitchen after breakfast.
- 4) Steps have been installed at Mount Lindo radio shed.
- 5) Light on Helipad has been repaired.
- 6) Funding for single channel dispatch has been secured and work has begun again to complete project.
- 7) Mountain Chiefs meeting was held at our station on Monday June 19th part of the meeting was the dispatch user agreement with Jeffcom Board Chair Jon Greer. We presented an updated version of their original agreement, it was discussed in detailed and will be sent to their legal for review. (See attached)
